Proposal to lease out the land in the Tank bed and achkat below the Tank of Koramangala Tank belonging to the Municipality

---

Note

The Koramangala Tank bed and the achkat below the tank measuring about 272 acres of land belong to the Municipality The same have been acquired in connegtion with the comprehensive scheme for underground drainage work for the Bangalore City, out of the contributiors paid by the Municipality and the Government as sanctioned in Government Order No [illegible] 10-40-22 - dated 22-4-1941

The Director of Public Health reports that the lease of the land in the Achkat and the Tank Bed may be disposed of for growing vegetables in public auction The Special Officer, City Drainage Works, states that about 80 acres of land are readily available in the achkat (as per the plan enclosed) and that the same may be immediately disposed of and that 80 more acres in the bed may be leased out, as soon as they are dry and fit for cultivation in about two months time, the remaining area in the achkat i e , about 80 acres which is at present water-logged will be leased out when it gets dry by the continuation of the Central Channel in the aste Nair halla

In this connection, a meeting was held in the Municipal Office on 30-8-1943 with the President and Special Officer and it was decided that the lease right of land should be immediately disposed of for the cultivation of the vegetables

The Special Officer, Drainage Works, will be requested to demarcate and number the land into one acre plots, after fixing the boundary marks The lease of the land in acre plot will be sold by public auction for a term of three years in the first instance as the lessee will have to prepare the land and make it cultivable in the first year and reap the benefit in the subsequent years It is proposed that 50 plots may be disposed of to Thigalars who are heriditary vegetable growers and who are likely to be dispossessed of the gardens on either side of the main sewer The remaining plots may be disposed of to non-Thigalars The draft

The draft sale notification is herewith appended for information The proposal may be approved in the interest of Municipal revenue

A staff consisting one Sub Overseer on Rs 35-5/2-80 plus Rs 5/- C A and 4 peons on Rs 12/- each, for keeping supply channe clean etc , may also be sanctioned Necessary provision may be made in the budget for the year 1943-44 As the subject is of urgent nature the same may be placed before the Council and their approval obtained to-day
